

What is the 'Name your seat' program?

Name Your Seat is one of the ways you can help us support young and creative artists and is a unique opportunity for friends and supporters of the Arts to have a naming plaque placed on a seat in our state-of-the-art Curtin Theatre. More importantly you will make a significant contribution to John Curtin College of the Arts, where your donation will go towards supporting such initiatives as: Maintaining the professional standards of lighting and sound in the Curtin Theatre and Investing in cutting edge theatre technology.

Name Your Seat is also tax deductible.

If you are interested in taking part, you can fill out a 'Name Your Seat' form on the [Curtin Theatre](#) page.
