

Young audience members

Is my baby/toddler allowed to see a performance and where can I put my pram?

You can bring your baby/toddler to performances at Curtin Theatre. In the theatre there is plenty of space to put your pram so that it is out of the way but still accessible. Ushers will assist you with this. Babies are allowed to sit on your lap as are toddlers. However if your child is able to sit on their own (4 years or older) then we would like you to purchase a child's ticket. There are no booster seats available to patrons.
