

# SUBJECT SELECTION SHEET - YEAR 9 2024

## GENERAL

**Office Use Only**  
Date received at  
John Curtin  
College of the Arts

**NAME:** \_\_\_\_\_

Listed below are the compulsory courses you will study in Year 9. There is an option to select additional elective subjects which will be studied during the year.

A description of course subject content studied each semester and GAT, Specialist and Enrichment programs can be accessed at [www.jc.wa.edu.au](http://www.jc.wa.edu.au) under Home - Resources - Lower School Course Guide.

Subject costs can be accessed at [www.jc.wa.edu.au](http://www.jc.wa.edu.au) under My JCCA - Parents - Contributions and Charges 2023. The subject costs for 2024 are confirmed prior to commencement of that year.

Please take care when choosing subjects as no changes may be made once this selection sheet has been accepted by the College. The 2024 staffing will be based on these requirements. The College will do its utmost to provide you with your first choice but due to timetabling constraints it is not always possible. Classes will only run if there are sufficient numbers.

**Please return this form to the College by 21 July 2023.**

### Compulsory Subjects

**1. English, Mathematics, Humanities and Social Sciences and Science**  
(Academic Excellence Programs for these subjects are strictly by invitation only).

**2. Physical Education**

**3. Health Education** Is studied for one semester only.

**4. Music**  If you studied Music in Year 8, please check the box.

**OR Rotational Enrichment** All other students will be placed into the Rotational Enrichment program.

**5. Electives** Please check the appropriate boxes below and complete the requested information.

**Italian** If you wish to continue studying Italian (full year course) in Year 9, check the box.

From the table below, **select 7 subjects for each semester** and number them in order of preference (ie for S1, Food 1, Woodwork 2, Textiles 3) Fashion Design can only be studied for one semester, not both. All other subjects can be studied for the whole year or per semester. There are no prerequisites for the subjects.
