

JOHN CURTIN  
COLLEGE OF THE ARTS

# SUBJECT SELECTION SHEET - YEAR 8 2024

## GENERAL

Office Use Only  
Date received at  
John Curtin  
College of the Arts

NAME: \_\_\_\_\_

Listed below are the compulsory courses you will study in Year 8. There is an option to select three elective subjects from the Technology Department, which will be studied during the year

A description of course subject content studied each semester and GAT, Specialist and Enrichment programs can be accessed at [www.jc.wa.edu.au](http://www.jc.wa.edu.au) under Home - Resources - Lower School Course Guide.

Subject costs can be accessed at [www.jc.wa.edu.au](http://www.jc.wa.edu.au) - under My JCCA - Parents - Contributions and Charges 2023. The subject costs for 2024 are confirmed prior to commencement of that year.

Please take care when choosing subjects as no changes may be made once this selection sheet has been accepted by the College. The 2024 staffing will be based on these selections. The College will do its utmost to provide you with your first choice but due to timetabling constraints it is not always possible. Classes will only run if there are sufficient numbers for a course.

Please return this form to the College by **21 July 2023**.

### Compulsory Subjects

1. **English, Mathematics, Humanities and Social Sciences and Science**  
(Academic Excellence Programs for these subjects are strictly by invitation only).

2. **Physical Education**

3. **Italian and Health Education** will both be studied for one semester only.

4. **The Arts** Students will undertake a semester of **Media Arts** and **Performing Arts**.

5. **Computer Studies** will be studied for one semester only.

6. **Music Enrichment** If you studied Music in Year 7, please tick the box.

**OR**

**Arts Rotational Enrichment** All other students will be placed into the Rotational Enrichment program.

### Elective Subjects

7. **Technologies Three** Technology subjects will be studied over the course of the year. From the table below, select 3 subjects for each semester and number them in order of preference (ie for **S1**, Food 1, Woodwork 2) These subjects can be studied for the whole year or per semester. There are no prerequisites for the subjects. Please refer to the Lower School Course Guide for information on the content that will be studied.

<u>Technologies</u>	<u>S1</u>	<u>S2</u>	<u>Technologies</u>	<u>S1</u>	<u>S2</u>
8FOD1/2 Food			8MT 1/2 Metal Technology
