# Supporting Your Health and Wellbeing

To notify John Curtin College of the Arts of an absence, appointment or early exit your parent needs to contact the school using one of the options below:

SMS: 0418 902 973

P: 08 9435 0700

Email: JohnCurtin.COTA.Attendance@education.wa.edu.au

SEQTA: Parent portal

## Late to school

All students are required to be at the College at least 10 minutes before the start of the College day. Every time you are late for the start of the day, arrive after recess, or arrive after an appointment, you must tag in at Student Services. You will be provided with a printed pass into class. Lates are recorded on the attendance records and must also be explained via SMS, phone calls or email.

## Did you know?

If you are 10 minutes late a day, this equates to:

50 minutes a week (approx. 1 period)	3 hours and 20 minutes in 4 weeks	8 hours and 20 minutes in a term	25 hours a year
---	--------------------------------------	-------------------------------------	-----------------

Sick and can't come to school? Your parents can keep you at home and they need to contact the College by one of the ways above.

If you are going to be absent for more than a day or two your parents should contact Student Services who will arrange for work to be emailed home. A doctor's certificate should be provided to cover extended absences due to illness or injury.

## Sick at school

If you are feeling unwell you must report to Student Services who will provide a pass to see the nurse if necessary. Please do not call for a parent/guardian to collect you, the College will organise this. When your parent/guardian collects you, they must sign you out at Student Services.

## Appointment during school time

All students are expected to sign out of the College before leaving at any time. A note must accompany the student and has to be sighted by the class teacher for early release and then presented at Student Services. You will then be given an official pass out slip that must be kept with you for the rest of the day. For convenience, and with your parents' permission via a note, SMS, phone call or email, you can organise the pass out slip before school, at recess or lunchtime and then show that to your teacher to gain permission to leave class. Not signing out in this manner will result in an unexplained absence.

# Supporting Your Health and Wellbeing

It's normal for everyone to experience ups and downs, but when negative feelings persist for long periods of time or interfere with everyday life, you should seek support. If you are worried about your mental health or finding it difficult to cope, it's better to ask for help early, for example by talking to your parents, mentor or School Psychologist.
