

Join our E-Library

After the success of opening up our E-library to interested parents, we've decided to reopen applications.

Originally we wanted to share the wealth of wellness related titles our collection had acquired in collaboration with mental health week in October, but in order to cater for those who missed out or are interested in accessing our catalogue in future we will be periodically adding accounts for parents who apply here.

To join our community simply fill out the form below before February 28th and you will be added to the list of new accounts for the next bulk import.
