

Local Intake Area

The Local Intake Area or Catchment area is defined by the written description in the WA Government Gazette (2016), students who live within the Catchment area are eligible for local enrollment in the college. Students who live outside the catchment area must apply via the Gifted and Talented or Football Specialist Program.

If you are unsure whether or not your residence falls within the catchment area, you can use the address search feature of Schools Online. <https://www.det.wa.edu.au/schoolsonline/home.do>

Please be aware that proximity **does not** automatically equate to catchment area inclusion, please refer to the map!

If you are having difficulties using the interactive map on the Schools Online web page, a PDF version is available below.
